HELLO GEORGIA

Georgia is becoming a preferred destination for MBBS abroad, offering high-quality medical education that is internationally recognized at a cost-effective fee structure. With modern universities, English-medium programs, and a strong emphasis on clinical practice, it provides a secure and student-friendly environment for international students. Its blend of European standards and rich cultural background makes Georgia an attractive option for aspiring medical professionals.

MEDICAL EDUCATION IN GEORGIA

Georgia offers a 6-year MBBS program in English, designed to meet global medical education standards. The curriculum focuses on practical learning and clinical exposure, helping students develop the knowledge and skills required for international medical careers.

LIFE IN GEORGIA

AVICENNA BATUMI MEDICAL UNIVERSITY

Avicenna Batumi Medical University is a growing private medical university in Georgia, known for its modern teaching approach, English-medium programs, and focus on quality medical education with strong clinical exposure.

Avicenna Batumi Medical University is a developing private medical institution located in Batumi, Georgia. The university is gaining recognition for its commitment to delivering quality medical education through modern teaching methods and a student-centered approach.

The university offers a 6-year MD program in English, structured according to international medical education standards. The curriculum integrates theoretical learning with practical training, ensuring students gain early clinical exposure and hands-on experience.

With contemporary infrastructure, well-equipped laboratories, and qualified faculty, the university provides a supportive academic environment. It focuses on building strong medical knowledge, clinical skills, and professional competence among students.

Affordable tuition fees, a safe and welcoming atmosphere, and growing international exposure make Avicenna Batumi Medical University a suitable choice for students aspiring to pursue a medical career abroad.
