About Uzbekistan

Uzbekistan is a rapidly growing destination for MBBS abroad, offering high-quality, globally recognized medical education at an affordable cost. With modern universities, English-medium programs, and strong clinical training, it provides a safe and student-friendly environment for international students. The capital city, Tashkent, is home to top government medical universities, making Uzbekistan an ideal choice for aspiring doctors seeking global career opportunities.

Medical Education

Uzbekistan offers a 6-year MBBS program in English with a strong focus on practical training and clinical exposure, preparing students for global medical careers.

Samarkand

Samarkand, one of the oldest and most historic cities in Uzbekistan, is renowned for its rich cultural heritage and growing educational excellence. It provides a safe, peaceful, and student-friendly environment with quality medical universities, modern facilities, and comfortable accommodation, making it an excellent destination for students pursuing MBBS abroad.

Where Future Doctors Begin Their Journey

SAMARKAND STATE MEDICAL UNIVERSITY

Samarkand State Medical University is a top government medical university in Uzbekistan, known for its rich academic heritage, English-medium MBBS program, and excellent clinical exposure for international students.

Samarkand State Medical University is one of the oldest and most prestigious government medical universities in Uzbekistan, located in the historic city of Samarkand. Known for its strong academic legacy and global recognition, the university attracts international students from various countries every year.

The university offers a 6-year MBBS program in English medium, designed in accordance with international medical education standards. The curriculum emphasizes a balanced approach to theoretical learning and practical training, with early exposure to clinical practice in affiliated hospitals.

The university ensures high-quality education through experienced faculty, modern infrastructure, advanced laboratories, and innovative teaching methodologies. Students benefit from hands-on training and well-equipped medical facilities that enhance their knowledge, skills, and professional development.

With affordable tuition fees, a safe and student-friendly environment, and excellent clinical exposure, Samarkand State Medical University provides a solid foundation for aspiring doctors to build successful global careers.

ABOUT US

Rehoboth Study Abroad

Rehoboth Study Abroad is a trusted global education consultancy specializing in overseas medical admissions. Founded by **Jacob O**, the organization is dedicated to guiding students toward internationally recognized **MBBS** and **MD** programs with affordable fee structures and high academic standards.
